

The background of the page features a rustic wooden surface with vertical planks. In the foreground, there are several Easter eggs: a light green one at the top left, a bright yellow one in the middle left, and a light blue one with white polka dots in the bottom right. Sprigs of small purple flowers are scattered throughout the scene, adding a delicate touch to the composition.

# From the Desk of...

R. Bradley Barden

General Manager, Chief Operating Officer

Dear Members,

We have some news to share with you!

## Construction:

The renovation projects are well underway and the new restrooms in the clubhouse are almost complete, an amazing transformation! Special thanks to our Decorating Committee who put in a lot of time and planning to make this come true.

The lower parking lot addition and restoration is scheduled to be complete within the next 60 days, thanks for your patience with long distant parking during this project. The new all-weather driving range tee has been completed and ready for use.

## Governance:

During the past several weeks you have received two very important email communications and one direct mailer from the Club. The email blast included, one, a copy of our annual financial report produced by our CPA firm Brockman, Drinkard and Pennington. The second, included the photos and biographies of your fellow members who are candidates to be new directors on the Club's board. The direct mailer is the actual voting document for these directors (special note: only stockholders will receive this mailer). Please vote and return your ballot and proxy notice to us as soon as possible. We tabulate the vote on Saturday, March 19<sup>th</sup>.

## Communication:

As we move forward, we will be using electronic communications more and more, especially with regards to member billing statements, clubhouse announcements and golf and tennis news. If you have not already done so, please make sure we have your correct email address for you and your spouse, we want to communicate with everyone.

We are in the final stages of developing a new logo for the Club to be used with all media, printed materials and apparel in both golf and tennis. This project will go a long way with "branding" our Club with a consistent and unified image. As this project developed we found over 40 different logos that have been used over the last two decades.

## Buying Wine:

We want to make you aware that all members may purchase wine from the clubhouse for their own personal use at home. We have an off premise license and can offer you a vast selection of wine to choose from by the bottle or by the case. Our retail pricing will be lower than most shops in our area. This is a huge member service that has gone unknown for many years. Contact Mark Zimmerman for details and read pages 4 & 5 of this newsletter regarding some of our programs that are getting started.

## Membership:

We will be offering our Guest Trial Membership Program again this year. Read below for more details. Additionally, initiation fees to join the club will increase from \$2,400 to \$4,400 in April, so let your friends know they have 30 days to join in order to save!

### Three Month Guest Trial Membership Program

Great news! Our Three Month Trial Guest Membership is returning for 2016!

Do you know someone that you think would love Boonsboro Country Club but they just aren't sure? Let them know about our program which allows them to be a full member of Boonsboro for three months to give us a "test run".

See the details below!

- Guest Membership is available May to July only.
- All applicants for Guest Memberships must complete the BCC application process and be approved by the Membership Committee and Board of Directors.
- Completed applications are due by Wednesday, April 13<sup>th</sup>

- Guest Memberships require a \$500 refundable Trial Fee that will be either reimbursed at the conclusion of the three month period, applied towards joining fees and capital improvement fees, or applied towards their final bill.
- All Guest Memberships will pay applicable monthly dues based on membership classification. Guest Memberships will have full access to all amenities of the Club based on membership classification.
- To become an active member you must come to the business office and pay the \$500.00 fee plus one month's dues and capital improvement fees. (This varies by classification).
- Only one Guest Membership will be allowed per family and each family is only allowed to participate once.
- Guest Memberships are not available to past members.

## **Exciting news you don't want to miss, so read on!**

We sell our wine at a competitive retail price. Let us know if you are looking for that special wine you tasted in Napa! We can do our best to personalize your wine needs. We work with many purveyors around the State, and have access to thousands of wines. You can buy a bottle or a case at a great price!

Also, we will start to roll out new wines every other month in our bimonthly newsletter, followed by a wine tasting opportunity we will host at the club to give you the opportunity to taste the wines yourself. We are hunting for exclusive wine deals that fit the following parameters: exclusive, highly-rated, limited release, boutique/cult wine discoveries, and those diamonds in the rough that boast shocking quality to price ratios. The monthly features will be offered in the Grille by the glass or the bottle depending on the wine. We will be the best deal in town. So don't miss out!

# Wine Tasting

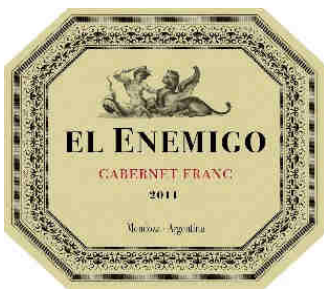

Thursday, March 10th | 6:30pm - 7:30pm | Featuring 4 Wines with 4 Hors d'oeuvres  
\$18 ++ per person

\*These are our featured wines during March and April.\*  
10% Case Discount

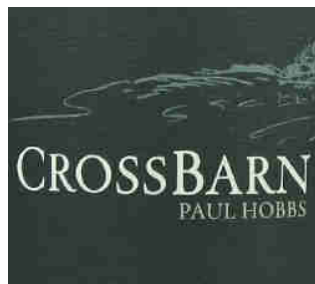

**Mer Soleil Reserve Barrel Fermented Chardonnay Santa Barbara  
California 2013 | \$17 Per Bottle**

This Chardonnay conjures up a soft yet tropical fruit explosions with hints of banana and coconut. Framed by beautiful oak integration, this masterpiece comes from no other than Napa's cult clan behind Caymus, the Wagner family. Exclusive pricing for club members, normally retails for \$29.99

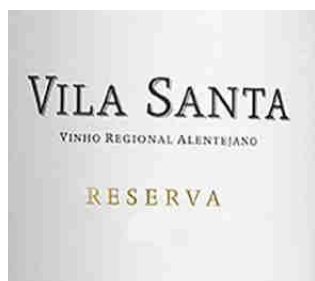

**Bodega Aleanna El Enemigo Cabernet Franc Mendoza  
Argentina 2013 | \$24 Per Bottle**

92 points Robert Parker! This bold red packs 92% Cabernet Franc and 8% Malbec also from Gualtallary in Tupungato in the Uco Valley, Argentina's finest sites for premier vineyards. The wine expresses notes of black fruit and violets, but it remains lineal and tight with bright acidity. This is wine all about the soil and has great aging potential. Aleanna is a combination of the names Alejandro Vigil and Adrianna Catena, (winemaker and youngest daughter) of Nicolas Catena and is the name given to their small joint venture. El Enemigo (The Enemy) refers to our greatest enemies, ourselves and the fear we all must conquer to rise to great heights!

**Paul Hobbs Crossbarn Cabernet Sauvignon Sonoma  
California 2013 | \$35 Per Bottle**

The Steve Jobs of the wine industry, Paul Hobbs reaches the pinnacle of success with this mouth-watering Cab in all its plush juiciness, blackberry and currant fruits, oak spices, and formidable, yet supple tannins. Napa Cab drinkers looking for a steal of a wine without the price tag have found it with this gem from Hobbs. In 2004, Hobbs was named "Most Important Winemaker in California" by the Quarterly Review of Wines. Robert Parker has twice named Paul "Wine Personality of the Year" and dubbed him "a truffle hunting dog" for his demonstrated prowess in identifying and working with world-class vineyards.

**Joao Portugal Ramos Vila Santa Reserva Alentejo  
Portugal 2012 | \$19 Per Bottle**

90 points Robert Parker! A blend of 25% Aragonez, 25% Alicante Bouschet, 20% Touriga Nacional, 20% Syrah and 10% Cabernet Sauvignon, aged for ten months in a mixture of used American and French barriques (only about one-third new). Remarkably graceful this year, a vintage with a lifted feel, without too much concentration. It takes an hour for the fine fruit to open up. It's fresh and delicious. You can dive in here on the early side, but it will age well for another decade, at the least.

John Comninaki

PGA Professional, Director of Golf

I am excited to know the new golf season is here! I am grateful that we had a relatively short winter as mild weather through December and most of January allowed many golfers to get out on the golf course. There will be some significant changes when you get back to Boonsboro. The most obvious will be the installation of the All Weather Tee at the front of the driving range area. This new tee will be used during the dormant season for bermudagrass and for all special events. The other improvement to the facility will be steps from the lower parking lot to the rear of the golf shop to make your access to the golf shop and practice areas easier.

The official start to the golf season is the annual Bourbon & Branchwater event on Saturday, March 19th. This year's captains will be Billy McBratney and Norman Darden. Don't miss this great kick off weekend. Details follow in the Chronicle.

Our junior golf program will step up this year expanding to two days per week, Fridays (ages 5-8) and Wednesdays (ages 9-12). Friday, March 18th will kick off the season long sessions for all ages. Tuesday, March 22nd will be the first session for our older group. Additional information is included in this Newsletter and will be posted on the website as well.

Spring means new products for the golfer looking to improve his or her game. New club offerings are coming as well from Taylormade, Callaway and Titleist. All these will be well represented in the golf shop with demos provided for your benefit. You can test all these out at our annual Demo Day on Friday, April 8th from 2:00pm to 6:00pm.

David Phillips and Dylan Wright will be

moving forward with their PGA Apprenticeships and will have a more active presence on the lesson tee in the coming year. They are well trained in club fitting and teaching principals and will do a great job in helping everyone achieve their potential.

In April we will be using our updated Flightscope Launch Monitor to help you really dial in your golf clubs. Wednesday April 13, 20, May 4 and 11 we will take reservations for you to spend an hour with the launch monitor to see what distances you really hit your clubs and give you a detailed examination of the gaps between each of your clubs. Thanks to our state of the art club bending machine we can then change the loft of your clubs to make sure you have proper gapping between your fairways, hybrids and irons.

Congratulations to Scott Buckner! Scott was one of a handful of players who came out on New Year's Day and got 2016 off to a great start with a Hole in One on the 13th hole with pitching wedge from 135 yards. Don Hamilton and Jimmy Cleland got to see Scott's special shot!

*John Comninaki*

## **Get Your Clubs Ready for the New Season!**

Getting your clubs re-gripped to start the new season is always a good idea. We will be offering a special of a free grip for every 9 grips installed. Why not take it one step further? Book an hour on the Flightscope Launch Monitor and find the distances you hit each club in your bag and the distance gaps between each club. Cost is \$50.00 for an hour and club adjustments are \$5.00 per club if done in house.

# Men's Summer League

Men's Summer League Matches will be played on the following Thursdays this summer:

**START TIME:** Modified shotgun start. Balls in the air at 5:30p.m.

**LEAGUE FORMATION:** We hope that sign up will create a need for multiple leagues. Each League will consist of a maximum of 10 two-man teams. This would require that a team would play a total of 9 matches versus each team in your league. Based on sign-up, if there are fewer than 10 teams in a league, fewer matches will be played to complete league play in the round robin structure. Teams will be placed into leagues based on the total handicap of each team.

**DATES:** May 19,26, June 9,16,23,30, July 7,14

**TEAM FORMATION:** This is a member's only league. There will be an 18 stroke maximum on individual handicaps a maximum differential of 10 strokes between team members. If a team has a larger difference, the higher handicap will be reduced so that the spread equals 10. This rule prohibits a player from receiving more than one stroke on a hole in a match.

**FORMAT:** Formats will change week to week; better ball of two, alternate shot, shamble, etc. A 10 point system will be used in league matches. Each hole will be worth one point. A win earns one point, a tie earns 1/2 a point, and a loss earns zero points. In addition, a point will be awarded to the team that wins a match. In the event of a tie, that point will be split. Remember, this is modified match play over the entire 9 holes. All matches will be played entirely on either the front or back sides.

**TEES:** Matches are to be played from the BLUE TEES. Players over the age of 60 and a handicap of 18 or higher will play the GREEN TEES. All players age 65 and older will play from the GREEN TEES. All players age 65 and over with a handicap of 18 or higher will play the WHITE TEES. All players 70 and older will play from the WHITE TEES. Players must play from the same set of tees for the entire season and playoffs. Handicap stroke allocation will be adjusted for all play from the forward tee markers.

**HANDICAPS:** Revised handicaps on the 1st & 15th of each month will be used in all league competition. There will be a list of members requesting to be on a "sub list" (who is not competing in your league) provided to each player. Contact info – cell phone # and email address of "subs" will be provided at the beginning of each season.

*Create a team of 3-4 players who can rotate in and out of the matches throughout the season so you don't have to commit to playing in all rounds!*

**ENTRY FEE:** \$100.00 per team

# Junior Golf

## **Junior Dates for Drop In Sessions**

Each Friday and Wednesday, beginning March 18th there will be a Drop in Session for children ages 5-8 (Little Links) on Fridays and ages 9-13 (Junior Links) on Wednesdays. The Sessions will be one hour long. Space is very limited on our practice areas so it is critical that we know how many will be attending each session. Please call by noon to let us know your child/children will be attending.

Sessions times are 4:30pm - 5:30pm

### **Sessions Dates (Little Links ages 5-8)**

March 18th Kick Off

March 25, April 1,8,15,22, May 6,13,20,27 continuing through June and July

### **Session Dates (Junior Links ages 9-13)**

March 18th Kick Off

March 23,30, April 6,13,20,27, May 4,11,18,25 continuing through June and July

*\*A brochure of events and the schedule of all junior golf activities will be available in the golf shop and mailed on-line later this month.*

## **PGA Junior League**

Attention Junior Boy and Girl Golfers between the ages of 9 and 13!  
Do you want to have some fun? Do you enjoy competition in a relaxed nonthreatening environment? Would you like to be part of a team?  
Then come be a part of something new and exciting! The PGA Junior Golf League!

The Boonsboro Country Club team is looking for 10-12 players to represent the club against other clubs from the Lynchburg area. Play will be in 9 hole matches, broken into 3 hole segments. The match is a two person scramble format. ie. Each player hits and the team plays from the better of the two shots. Players can substitute into a match after each 3 hole segment so all players on a team will participate. Practices will begin the first week of April. Upon the conclusion of league play an AllStar team will be selected from the area teams with a chance to play for the state, regional and national championship!

The cost for each junior to participate on the BCC team is \$125 that includes: all practice sessions, matches, team shirts, sleeves of golf balls, bag tag and a club team web page for results, etc. Please contact your PGA professionals, John Comminaki, David Phillips or Dylan Wright in the Golf Shop for any questions or to register. We would like to register the team by March 29th.

Individual Lesson Package \$145.00 (All one hour sessions)

2 Student Lesson Package \$ 75.00

3 Student Lesson Package \$ 60.00

4+ Student Lesson Package \$ 40.00

## Boonsboro's Match Play Championship Tournament

The Match Play Championship will be played in a 64 player bracket with seedings drawn by lot and all matches played at net off the low handicap of the match. Rules will be posted in the golf shop. The entry fee is \$20.00, with prizes and awards for the semifinalists and finalists. Call the golf shop to sign up or e-mail any member of the professional staff to sign up.

- The entry deadline is April 10th
- Players play off the low handicap established on the 1<sup>st</sup> and 15<sup>th</sup> of each month
- Each player would determine which tee they will compete from each match

### Match Completion Dates

Sunday, May 8th	Round of 64
Sunday, May 29th	Round of 32
Sunday, June 19th	Round of 16
Sunday, July 17th	Round of 8
Monday, August 15th	Semi-Finals
Monday, September 5th	Finals

It is the higher seeds obligation to call the lower seeded player to arrange a match. If the players cannot arrange a match before the completion deadline, the player who is on the first tee at 11:00am on the completion date will be declared the winner by forfeit. If neither player can make the tee box, both players will be declared forfeit. Matches must be played head to head, if not both players will forfeit. Matches will be played off the low handicap, which is updated the 1st and 15th of each month. Each player can decide which tees they will compete from and handicaps will be adjusted accordingly.

**New Programs for New or Returning Women Players beginning in April.**

# Racquet Round Up

Drew Robinson

USPTA Professional, Director of Tennis

I hope everyone will take advantage of a new spring season to become motivated and excited about tennis, exercise and our wonderful club. Living an active lifestyle playing tennis, pickleball or golf or doing TRX is a tremendous benefit to your health. Do not forget to enjoy a meal at the club after you exercise or let us order you a meal to go! The tennis shop or deck is always available for a meal as well.

Once again, we have had a great indoor season with 53 adult contract blocks (equaling 275 adult players) and much walk on play.

Several exciting events are upcoming in the next few months. Our 2016 Tennis and Exhibition party will be Friday March 18 and Men's Kickoff Boonsboro Cup Sunday April 17. Ladies, mark your calendars for our opening Round Robin day Wednesday April 13 and the 9th Annual Sara K. Buckley Pink Invitational two weeks later on Thursday April 21. Men's and ladies USTA league play is right around the corner.

I wanted to take this opportunity to thank Carrington Neel for her service as Tennis Shop Manager for the past three years! She was a great asset to the tennis department. We wish her the best of luck and will hopefully see her around the club.

Please see our Instruction information for tennis on the following pages. Pickleball continues to be growing with drop in on Monday at 10:30 and Thursday at 12:00 noon.

Thanks for the great tennis etiquette being displayed by everyone and remember, my door is always open to hear your concerns! See you on the courts soon.

*Drew Robinson*

# Behind the Greens

Steve Vessells  
Greens Superintendent

Well. January and February sure have been a challenge for us to work out side and for golfers to play much golf. Hopefully March turns around for us and we can get some work done and people can play some golf.

One project that we are anxious to complete is the installation of drainage on greens # 1 and #5. Having had success with this kind of work in the past we feel that it can only help these two greens. This drainage will give the bentgrass a little bit of a leg up on the Poa Annua and helps the greens dry out a little faster after rain events. Totally rebuilding the greens to USGA specification would be the best solution to our problems, but this work is a something that can present better putting surfaces.

This process is done very quickly. Sod is removed, a trench is dug, pipe and a special sand/soil mix is put in place and the sod is replaced. This company can do these two greens in a week and have those greens open for play the next day with little or no disruption to the surface. A lot of people might not even be able to tell the work has been done once the season starts.

We are working with a soils lab and supplier to come up with the best possible match to the existing soil so that these drain lines will both disappear and allow water to get to the pipes and help dry these greens out.

Other work that we have already begun and hope to continue is some major tree work on the golf course and club grounds. Over the last several years our tree work has been limited to dead, damaged or dangerous trees. Bartlett Tree experts has done a detailed analysis of key trees and shrubbery on the golf course and will be performing some pruning, fertilizing, pest management and other work to help us preserve one of our most valuable assets.

Fertilizers along with weed preventer will be applied to fairways and roughs in March. Our schedule has us aerifying and topdressing greens following the Bourbon and Branchwater season opener on March 21<sup>nd</sup> and 23<sup>rd</sup>. We all know there is never a good time to do this work, but this seems to be less intrusive than most times. They may take longer to heal because of the cooler weather, but doing it early in the season seems to disrupt the “good weather and playing conditions” later on in the spring a lot less.

The BWGA season gets rolling on April 5<sup>th</sup> and our Seniors schedule kicks off with a match here against Farmington on April sixth. We will once again host a fund raiser for the Boonsboro Volunteer Fire and Rescue Department on Monday, April 18<sup>th</sup>. April ends with this year’s version of the Fox Puss Invitational on the 29<sup>th</sup> and 30<sup>th</sup> of April, concluding on Sunday, May 1<sup>st</sup>.
